@grantcardone this lowers your stock. You
know for a fact who she is because she's at
your condo. The one you told everyone you
rented but is actually owned by GC
Expansion which is you. Now to bring
attention to your new tenant you do a fake
reward? Do you want to be respected or
not? Maybe this is what John Legere is
talking about? I expect more out of you. Not
only are your children watching but so are

Any information you have about any of them would be appreciated.

Chealse Sophia Howell certainly isn't your average 26-year-old. Coming from a small-town family of six siblings, hard work, ambition and standing out from the crowd was instilled in Chealse at a young age. Because of these values, and Chealse's personal focus on entrepreneurship, Chealse has achieved goals beyond her wildest expectations.

I can find more!

@grantcardone Grant, as you are looking
for information where Sophia Chelsea is, I
clicked on her instagram page and in her
stories she posted in her stories 2 hrs ago
and posted videos on her instagram
account that she appears to be at your
Condo in Miami that she posted 3 hrs ago.
It's 9:00pm East Coast time now January
26th. I have no affiliation with this person I
do not know her and have no contact with
her and never met her in my life. I hope this
helps. Sophia Chelsea just posted in her
stories on instagram 25 minutes ago "For
anyone looking for her current location is
Tashkent, Uzbekistan" it is 9:14pm East
Coast now on January 26th.

I am looking for information on this person Chelsea Sophia Howell

Anything you know about her or her boyfriend(s) who supposedly move between the Middle East, Canada and the USA.

She supposedly owns a company called Haute Agency in Miami possibly dating site or model agency owned by middle eastern or Egyptian dude Wael Al Fatayri @waelalfatayri

Need phone number & current location.
Rewards for any details that lead to her whereabouts...

@codythrive I don't need to know, but if she really did do something bad to grant why isn't he alerting the police? Why is he having his followers give him info on the whereabouts of this woman? Do you really think it's OK for a powerful wealthy man like Grant to put the word out on the street to track down someone? Sounds sketch, and if she really did do some shady shit wouldn't you tell everyone what she did?

The fact that people are clueless to what you're saying on your post is so scary.

She runs a "model agency" for wealthy men. For people that still don't know. Miami/ Florida is TOP 3 city/state for human trafficking. He's trying to help all of these girls that get hooked by a "model agency" then later on are being trafficked all around the world... wake up people.

@vanessa.laurenn blindly assisting a billionaire in finding a person is naive. Giving some smidgen of context to what happened, why we need to find her, or why he wants her, only helps to clear the air. We don't know his intention with this woman. We don't know if she stole from him, if she's a trafficker, if he's just trying to fuck her, or anything. If Bill Gates was offering money to find a person I can just about guarantee that you would be questioning his motives.

Today 6:40 PM

Hey Gladys,
I am sorry but we have to cancel the
open house today.

I am not sure if you saw but Grant
Cardone has publicly out a bounty on
me. With that said his followers are
saying some very terrifying treats and I
can not risk any of them showing up
and causing bodily or property harm to
myself or anyone who attends.

Please post now on social media is is
canceled and will be rescheduled.

Also notify my HOH that is cancelled
and being rescheduled, and that NO
ONE is allowed through my gate
except you and Robert.

I will do the same but they know I am
out of the country and I need it to
come from my realtors that it is
officially canceled.

I will be back in town on the 31st.

We can also make a post stating we
are excepting private showings but
they must be cleared and back ground
checked before any entrance access.
Thank you for your time and
understanding.

Broooo I feel like she has some dirt on Cardone
cause his wife and him keep posting about people
trying to slander their name and making "false
