## HUBBARD COLLEGE REPORTS

March 13, 1952

- I. Hubbard College starts with a very limited number of your addresses. Will you forward any and all addresses available to you of H.D.A.s, interested dianeticists, or people you would like to have kept on a communication line.
- II. There are six ways to handle the present time problem, ie, the Dianetic Foundations:
- (1) Disregard it entirely
  - (2) Use Black Dianetics
  - (3) Fight the Anti-Dianetics maneuvers via Attorney's injunctions etc.
  - (4) Raise funds to buy off all the creditors, including Mr. Purcell.
  - (5) Process all parties involved
  - (6) To move forward so rapidly that this present enturbulation loses any force and is very very ancient history.
- We have chosen Move 6. Your agreement with and pursuit of this particular course will be most welcome.
- III. A transcript of the bankruptcy proceedings has been ordered and will be available to anyone interested.
- IV. Using the following outline would you drop a line in our direction on some of your most recent cases. Preclear had \_\_\_\_\_ . After \_\_\_\_\_ hours processing preclear no longer had \_\_\_\_\_. Signed by, Razmataz, "the Can't to Kin Man," H.D.A. Ron receives 6 to 8 letters per day telling of wonderful progress and expressing thanks. Permission is being requested to report to you some of the remarkable results that these unsolicited letters reveal.
- V. Hubbard College offers the following services:
1. Night Course, five nights per week, 7:00 to 10:00 p.m.  
Cost, \$25 per week, lasting 20 weeks.
  2. Full time course, 8 weeks, cost \$500.
  3. Dianetic processing by advance arrangement only.. Cases are accepted after review. A team of three people is assigned to a case, with one person responsible for condition of the team, and two auditors are assigned to a case for the necessary processing. No fees have been established but will vary according to the case.
  4. Summary course package consisting of 22 hours of L.R.Hubbard's lectures, a text for each hour of lecture, a test for each hour of lecture, a psychogalvonometer kit. This summary course package is available for distribution to any group. Requirement: maintenance of tapes, number of hours and date; and agreement that these tapes at any time will not be copied. This course package has been prepared to help groups of people reach qualifications necessary to become an associate of the College.
  5. Associate, one to each population area, New York, Chicago, Vancouver, Miami, Boston areas have been taken as of this date. Associate grants degree of professional dianeticists, uses film, additional tapes and

cooperates closely with Groups and with the College in the development and spread of knowledge of Scientology.

VI. Personnel policy of the Hubbard College is as follows:

1. One auditor is assigned to the processing of two of the staff. For every two auditors on the staff, an additional auditor is assigned to the care of these two auditors. A continuous report to the field via this media will be made as to the number of hours of processing of personnel.

VII. Agreement has been reached with Volney G. Mathison, inventor of the Psychogalvonometer, to permit the Hubbard College to act as sole agent throughout the world except for cities of New York and Los Angeles. H.D.A.'s can secure a 20% discount on the Psychogalvonometer which retails at 128.50. We are making immediate delivery.

VIII. Please forward as rapidly as possible any and all published items on Dianetics or Hubbard, whether pro or con. This should include any information from any magazine, newspaper, various dianetic publications, including jokes. We are building a clip book. The material you forward us will be immediately photographed and returned to you. Please insure it or register it as it no doubt will have historical significance and we would like to return it to you as quickly as possible.

IX. Three people are now working their way through Hubbard College. Two women are doing office work so that their husband's can attend night school. A flexible policy will continue to be maintained so that qualified persons can secure the necessary knowledge to help our progress. Any new student that you send in will, of course, be welcome and you will receive our certified check in the amount of \$50.00 when student enrolls. For entrance emphasis is being placed on good health, general mental stability, No one graduates from the course until they have satisfied all requirements.

X. Your letters are stimulating and very helpful-- permission to quote is requested. Credit for suggestions and ideas will be given.

Most of all lets get a good start on a new civilization before this one blows.

A handwritten signature in cursive script, possibly reading "L. Ron Hubbard", is written in the lower right portion of the page.
